

Collaborations . . . Connecting Business to Campus presents  
**Tools to improve your business - digital technology!**

Take just one hour out of your day (or a little longer if you choose to stay and network) at Hubspace on Wednesday, June 21<sup>st</sup> at 10 a.m. to learn more from local experts about how technology can positively impact your business.

There are a number of ways that technology can make a business more efficient, of which many entrepreneurs are not aware. We will provide a general overview of what digital technology is and how it can assist businesses to simplify or streamline operations. Plus, you will learn about how connecting with UNBC and CNC can make digital technology even more accessible for your business.

Secure your spot for a presentation and networking today! Please follow this link to the Chamber's registration page for more information: <http://pgchamber.chambermaster.com/events/details/collaborations-connecting-business-to-campus-tools-to-improve-your-business-digital-technology-1781>
