**“A Haida work of art...”**

<http://gwaai.com/sgaawaay-kuuna/>

SGaawaay K'uuna – Edge of the Knife is set in the mid-nineteenth century on Haida Gwaii. It tells the story of the Gagiixiid, or Wildman.

It is the world's first feature film in the Haida language.

All of the actors and most of the crew were from from local Haida communities.
