

UNBC Equity, Diversity and Inclusion Engagement

Following up on our December notice, you are invited and encouraged to attend one of three Equity, Diversity and Inclusion engagement sessions happening this month. Our hope is to gather a diverse group of **faculty, staff and students** to speak into this important work.

During these sessions, you have an opportunity to:

- hear about UNBC's vision for EDI within the CRC program and across campus, including actions currently being taken;
- share your thoughts on what's working well and what can be amplified;
- identify where gaps and barriers exist, and how these might be addressed and, most importantly;
- be part of a conversation about how to make UNBC a destination post-secondary where **ALL** are welcomed, safe, and supported.

The dates, times, and registration links for each of the three sessions are:

January 13 12:00 p.m.–1:30 p.m.

January 20 3:00 p.m.–4:30 p.m.

Sessions will be held in a live, webinar format, which means that as attendees, your participation will be anonymous, except to our WMC team through the registration process. In addition, your ideas and opinions will be collected anonymously through the [Poll Everywhere](#) platform.

Representatives from WMC will lead each session, including sharing Poll Everywhere data, and facilitating a Q&A to respond to questions posted in the Q&A stream. WMC will also be responsible for any follow-up necessary to ensure all participants receive the answers to questions that require additional research and therefore cannot be addressed at the session.

We hope you choose to join us for one of the three engagements! You can find out more about what is happening to move Equity, Diversity, and Inclusion forward at UNBC and your input will help inform our recommendations moving forward.

Look forward to connecting with you!
