

MASTER OF BUSINESS ADMINISTRATION TUITION AGREEMENT

Program, Tuition and Fees Information

The MBA Program runs over 5 semesters (21 months) starting with a Foundation Week in August. Classes meet once a month for 3 days (Friday, Saturday, Sunday) for the duration of the program.

The MBA program total cost is divided into 5 instalments paid each semester (and not on a course-by-course basis). Each instalment must be paid by the first day of each semester while enrolled in the program. Students who go beyond the 5 semesters will incur additional charges, including an extension fee. Some travel is required and may involve additional costs to the student. As noted on the website linked above graduate tuition and fees are subject to change. Tuition amounts are [outlined on the website](#).

For Domestic Students:

A \$2,000 deposit is due to within 30 days of receipt of an offer of admission. This payment is required to secure your seat in the Program.

Of the \$2000.00 deposit, \$500.00 is non-refundable after June 30. The \$1500.00 balance is non-refundable after July 25 (based on the year of application). All future semesters, tuition, program fees, student fees and mandatory ancillary fees are due prior to the first weekend of the first semester.

For International Students:

To receive your admission letter, you will be required to pay a \$1,500 international student tuition deposit. A further \$2,000 program deposit is due within 30 days of receipt of an offer of admission. This payment is required to secure your seat in the program.

Of the \$2000.00 deposit, \$500.00 is non-refundable after June 30. The \$1500.00 balance is non-refundable after July 25 (based on the year of application). All future semesters, tuition, program fees, student fees and mandatory ancillary fees are due prior to the first weekend of the first semester.

Important Considerations

Students in the MBA Program need to self fund the costs associated with their degree. As such, students need to have a clear plan to meet the financial obligations in advance.

As a professional program, this degree is not eligible for traditional Canadian student loans nor are there any scholarships or bursaries available. There are no installment options available for students in the MBA Program. Students who fail to pay their fees as required will be restricted from future semester registration and may not be able to continue in the Program. Refer to UNBC Finance website for details.

International applicants should [carefully review criteria](#) for a successful study permit application and ensure they are able to meet the requirements in time to apply for their permit if admitted. This process can be time consuming so we encourage students to apply immediately after receiving their Offer of Admission. Delays in applying for your study permit can impede students ability to attend mandatory classes in August.

By signing below, I agree that I have reviewed the information included in this document, including the current tuition and fees on the UNBC website, and understand the program, tuition and fee structure of the MBA program.
