

IDIS Supervisor Agreement to Review Application

Because this program includes a tailored course of study aligned with your area of research, a research proposal supported by a UNBC faculty member is required to apply and you will be required to upload this form in your online application.

An agreement to review your application is not a guarantee of admission.

APPLICANT INFORMATION

First name:

Surname:

Proposed admit term:

e.g. Fall 2024

Pathway to degree completion:

Proposed supervisor:

Proposed co-supervisor (if any):

Submit this form to your proposed supervisor(s) to arrange necessary approvals below.
