Course #	Course Name	Credits	Grade
----------	-------------	---------	-------

3 credits of Science²:

Course #	Course Name	Credits	Grade
----------	-------------	---------	-------

3 credits of Mathematics³:

Course #	Course Name	Credits	Grade
----------	-------------	---------	-------

¹ Canadian Studies is a course containing significant Canadian content. Canadian Studies credit hours are normally selected from Anthropology, First Nations Studies, Geography, History, Northern Studies, or Political Science courses containing significant Canadian content. Upon review, credit hours from other disciplines may be recognized as meeting the Canadian Studies requirement.
² A lab component is not required, but recommended. Laboratory science credit hours are normally selected from Astronomy, Biology, Chemistry, Earth and Environmental Science, Physical Geography, or Physics. Upon review, credit hours from other disciplines may be recognized as meeting the Laboratory Science requirement.
³ Cannot be Statistics

12 credits of upper-division (300/400 level) coursework taught in BC public schools:

Course # & Name	Credits	Grade	Course # & Name	Credits	Grade
Course # & Name	Credits	Grade	Course # & Name	Credits	Grade

Please note:

- ❖ **All required coursework must be completed by August 15, prior to commencement in the BEd Elementary Years program.**
- ❖ **Admission to the BEd Elementary Years program has limited enrolment and is competitive; satisfying the minimum admission requirements does not guarantee admission.**
