

## Program Planning Guide

Bachelor of Arts: Anthropology

**YOUR COURSE PLANNING:** This worksheet has been created as a guide for admitted students. Note that your course planning may look different than another student; this worksheet has been designed for students wishing to complete their program within a four-year timeline. Students may elect to take part-time studies or a reduced course load. Refer to the [Undergraduate Academic Regulations](#) within the Undergraduate Calendar for more information.

For requirements that have a “pick list” (i.e. *choose one of*) please visit the Undergraduate Calendar to see a detailed list. Note, the list or requirements may change, so please ensure you follow the appropriate requirements (the [2021-2022 Undergraduate Calendar](#)). After July 1, 2021, you can find the calendar in a [PDF format](#).

**BREADTH REQUIREMENT:** As a part of this program, students will have satisfied their Social Sciences breadth requirement (with the required ANTH courses). As such, please take a three credit hour course in each of the following areas: Natural Sciences, Physical Science and Arts, and Humanities to meet the [breadth requirement](#). Check out [www.unbc.ca/advising](http://www.unbc.ca/advising) for more Breadth Requirement information.

**UNDERGRADUATE CALENDAR:** It is the student’s responsibility to be aware of all University of Northern British Columbia [Undergraduate Calendar](#) regulations. Academic regulations, program information, course information, and pre-requisites can be found in this document.

EFFECTIVE SEPTEMBER 2021

**NOTE:** Although every attempt has been made to ensure the information on this worksheet is accurate, in the case of any discrepancy, the Academic Calendar shall be considered the authority. This program planning worksheet is an unofficial planning tool for students new to UNBC and for students in a non-competitive entry program. Once your program has been declared, please use your degree evaluation as it is the official degree program-tracking document. You can find more information about your degree evaluation and how to run one at [unbc.ca/advising](http://unbc.ca/advising).

## Course Notes

- **This is a guide only**, coursework (i.e. ANTH off list requirement offerings and many upper division ANTH courses) will vary each year in the semester they are offered. Spaces with *Elective* can be swapped out with required courses if offerings better match interest.
- Students should consult with the Undergraduate Calendar for course descriptions and pre/co-requisites.
- Not sure what to do with your electives? A Minor is a great way to concentrate your electives. Talk with your Student Advisor for suggestions!
- **Residency Requirement:** Students must complete a minimum of 30 credit hours of upper division course work at UNBC to receive a UNBC degree. Note: required upper division coursework will not meet this requirement so you will need to plan to take UD “any level courses” or electives at UNBC.
- **Time Limit:** Except by permission of the Dean, students must complete their undergraduate degree program within 15 years of their first semester of registration.

## Advisor Notes

**STUDENT ADVISING:** Is available by phone, email, or in person. To book an appointment, or to see when drop-ins are scheduled, please contact [advising@unbc.ca](mailto:advising@unbc.ca) or call 250.960.6306.

**TRANSFER & RETURNING STUDENTS:** Please consult your Student Advisor to determine how your previous work may best be applied to the program requirements. When registering for course work pay close attention to the course preclusions to ensure you are not registering in duplicate coursework.

**DEGREE EVALUATIONS:** The [Degree Evaluation](#) is an interpretation of the Undergraduate Calendar for the year that you were admitted and helps display the requirements needed for your program.

**HONOURS:** Students with a minimum cumulative GPA of 3.33 can apply for Honours after 60 credit hours of study including completion all of the lower division Anthropology requirements. Students will also be required to submit a written application to the Program Chair that identifies the sub-discipline of interest, provides a statement of career objectives, and attaches an unofficial copy of their current transcript.
