

Program Planning Guide

Bachelor of Arts: Joint Geography and Political Science

YOUR COURSE PLANNING: This worksheet has been created as a guide for admitted students. Note that your course planning may look different than another student; this worksheet has been designed for students wishing to complete their program within a four-year timeline. Students may elect to take part-time studies or a reduced course load. Refer to the [Undergraduate Academic Regulations](#) within the Undergraduate Calendar for more information.

For requirements that have a “pick list” (i.e. *choose one of*) please visit the Undergraduate Calendar to see a detailed list. Note the list or requirements may change, so please ensure you follow the appropriate requirements (the [2021-2022 Undergraduate Calendar](#)). After July 1, 2021, you can find the calendar in a [PDF format](#).

BREADTH REQUIREMENT: As a part of this program, students will have satisfied their Natural Sciences breadth requirement (with the required GEOG courses) and their Social Sciences requirement (with the required POLS courses). As such, please take a three credit hour course in Arts & Humanities and a three credit hour course in Physical Sciences to meet the [breadth requirement](#).

UNDERGRADUATE CALENDAR: It is the student’s responsibility to be aware of all University of Northern British Columbia [Undergraduate Calendar](#) regulations. Academic regulations, program information, course information, and pre-requisites can be found in this document.

EFFECTIVE SEPTEMBER 2021

NOTE: Although every attempt has been made to ensure the information on this worksheet is accurate, in the case of any discrepancy the Academic Calendar shall be considered the authority. This program planning worksheet is an unofficial planning tool for students new to UNBC and for students in a non-competitive entry program. Once your program has been declared, please use your degree evaluation as it is the official degree program-tracking document. You can find more information about your degree evaluation and how to run one at unbc.ca/advising.

Course Notes

- These courses need not necessarily be taken in the sequence as indicated.
- Students should consult with the Undergraduate Calendar for course descriptions and pre/co-requisites.
- Students may elect to take a minor. To see available minors, please feel free to check out a [Declaration of Minor form](#) or look in the Program pages of the [Undergraduate Calendar](#). Minors are a structured way to use your electives while also completing a secondary concentration.
- Students are encouraged to consider taking a field school. Past field schools have been held in Canada and across the world, including Guatemala, Peru, South Africa, and Death Valley. Interested? Check out the [Geography Field Schools](#) to view more information about past and upcoming field schools.
