

Program Planning Guide

Bachelor of Health Sciences: Biomedical Studies

YOUR COURSE PLANNING: This worksheet has been created as a guide for admitted students. Note that your course planning may look different than another student; this worksheet has been designed for students wishing to complete their program within a four-year timeline. Students may elect to take part-time studies or a reduced course load. Refer to the [Undergraduate Academic Regulations](#) within the Undergraduate Calendar for more information.

For requirements that have a “pick list” (i.e. *choose one of*) please visit the Undergraduate Calendar to see a detailed list. Note the list or requirements may change, so please ensure you follow the appropriate requirements (the [2021-2022 Undergraduate Calendar](#)). After July 1, 2021, you can find the calendar in a [PDF format](#).

- Students wishing to pursue professional health degree programs are encouraged to complete the following coursework as electives: PHYS 110-4, PHYS 111-4, MATH 100-3, MATH 101-3. These courses may help in preparation for various admission required entrance examinations (i.e. The Medical College Admission Test or MCAT).
- Students enrolling in any HHSC course with prerequisites are required to have completed all prerequisite courses for that course with a C or better, or have permission to register from the Program Chair.
- Students must complete 15-credit hours of electives at any level, and 9-credit hours of upper-division (300/400-level) "subject requirement" coursework from any subject.
- ENGL 104 is not recommended for those students pursuing professional health degree programs.
- ECON 205 is also available in the January semester.

Advisor Notes

STUDENT ADVISING: Is available by phone, email, or in person. To book an appointment, or to see when drop-ins are scheduled, please contact advising@unbc.ca or call 250.960.6306.

DEGREE EVALUATIONS: The [Degree Evaluation](#) is an interpretation of the Undergraduate Calendar for the year that you were admitted and helps display the requirements needed for your program.

DOUBLE MAJORS: Students who are considering to double major should speak with their Student Advisor as soon as possible.

MINORS: To see available minors, please feel free to check out a [Declaration of Minor form](#) or look in the Program pages of the [Undergraduate Calendar](#). Minors are a structured way to use your electives while also completing a secondary concentration.
