## Career Readiness Workshop Series

The Career Readiness Workshop Series, is a comprehensive program designed to equip job seekers with the essential tools and skills needed for success in today's competitive job market. Led by Zahid Islam, a distinguished figure in the field of commercial banking and a dedicated community leader, this series offers participants an unparalleled opportunity to learn from a seasoned professional. Zahid brings a wealth of experience from his roles as President of the Prince George Community Foundation and Senior Manager at CIBC, combined with his extensive academic background and commitment to charitable organizations.

Our series is structured around three core workshops: the Resume and Cover Letter Workshop, the Interview Preparation Workshop, and the Mock Interview Workshop.
