## **XMAT - Intermediate Algebra**

### Registration Form

#### **Instructions**

1. Contact your Student Advisor at **advising@unbc.ca**.
2. Your Advisor will work with you to help determine your eligibility for XMAT. A math assessment may be involved. A final recommendation will be emailed to the Chair of the Math Department.
3. Once the Department Chair approves the recommendation (for XMAT), you will receive confirmation via email. Then complete this application form in full.
4. Provide this completed registration form, and your email approval from the Chair of the Math Department to UNBC Continuing Studies via email at **cstudies@unbc.ca** or in person to our office located at 5-308, 3rd floor, Library to register and pay for all three modules. Students must register for all three modules to register.

The course schedule and location will be emailed to the email address you provided on this form, closer to the course start date.

---

#### **Additional Information**

- Incomplete registration forms will not be accepted. All fields are required, unless otherwise indicated.
- If you are a sponsored student, Continuing Studies must confirm your sponsorship before you will be registered.
- In face to face courses or virtual courses, a minimum number of registrations must be received by the posted registration deadline. If sufficient registration is not met by this date, the course may be cancelled.
- You must complete each module with a minimum grade of C- in order to continue to the next module. If the minimum requirement is not met, and you have paid for more than one module upfront, you will be withdrawn from the remaining modules and a refund will be issued in the same form as it was received.
