Which UNBC Meal Plan applies to students who live on campus?

FAQ

Is the Meal Plan mandatory for certain students living on campus?

The plan allows students to maximize their campus experience by reducing the need to grocery shop, prepare, and clean up after meals. The Meal Plan is an all-you-care-to-eat plan with unlimited in and out privileges at the Agora Dining Hall during operating hours. Anyone can purchase a Meal Plan. However, students who choose to live at the UNBC Prince George campus and have less than 60 UNBC credit hours are required to purchase a 5-Day or 7-Day Meal Plan (automatically added to Housing fees).

If a Meal Plan is not mandatory for you, purchase a 5 or 7 Day Meal Plan in two ways:

1. Visit the I Can Dine website at www.unbc.icaneat.ca to purchase with a credit card; or
2. Email housing@unbc.ca to have the Meal Plan fees added to your student account (or opt-in during your housing application).

What are the Dining Dollars included in the meal plan?

The 7-Day Meal Plan includes \$150 Dining Dollars and 5-Day Meal Plan includes \$250 Dining Dollars to make purchases at retail locations across campus. Dining Dollars are non-transferable and non-refundable. They are valid for two years from purchase date.

Can I cancel my Meal Plan?

Please see the Terms and Conditions posted at www.unbc.ca/food-services.

What are the operating dates of the Meal Plan at the Agora Dining Hall?

The Agora Dining Hall meal plans are effective from the official move-in day of each semester until the last day of each semester (last exam day), and closed for the Winter break between semesters.

Do I need a special card to access the Meal Plan?

Your meal plan is conveniently loaded onto your UNBC ID card. Just swipe and dine!

What if I don't have my UNBC ID Card?

Your UNBC ID card must be presented to the cashier in order to access the Agora Dining Hall. Please treat it like cash. If your UNBC ID is lost or stolen, please report it immediately to Food Services staff. It is your responsibility to replace a lost or stolen card.

Can I take food out of the Agora Dining Hall?

Generally, food and beverages cannot be removed from the Agora Dining Hall. You can come back as many times as you like but food cannot leave. If you require an accommodation, please reach out to the Food Services Director.

What if I have allergies or specific dietary requirements (medical, cultural, religious, lifestyle, person preferences)?

Students who choose to live in UNBC Housing at the Prince George Campus and purchase the mandatory Meal Plan must contact UNBC Food Services prior to signing the Housing Contract to discuss individual dietary needs. While we strive to address dietary requests, please be advised UNBC Food Services may not be able to accommodate all individual dietary needs or preferences.

Can I buy a friend's meal with my Meal Plan?

The 7-Day and 5-Day Meal Plans are tax exempt – they can only be used by the relevant student. 7-Day and 5-Day Meal Plans feature five guest passes per semester. Next time you swipe-in at the front counter, ask for yours. Then, bring a guest to join you for dine-in or take-out!
