

Name: _____

Board 2

B	I	N	G	O
Wash laundry in cold water	Lower the peak thermostat temp by 1°C	Hang the next load of laundry to dry instead of using a dryer	Look up 'Energy Star' efficiency rating system – share a fave fact	Shorten your shower by two minutes
Calculate annual electricity cost of one light fixture in your home (hint: BC Hydro cost calculator)	Add a dry cotton towel to the dryer load for faster drying time	Visit the UNBC Wellness page - share something you learned	Learn about UNBC's Bioenergy Plant – share a fave fact	Seal drafty windows with plastic film or fresh caulking
Sell/donate an old item you no longer use	If you hand-wash dishes, rinse them with cold water		Calculate annual electricity cost of one device in your home (hint: BC Hydro cost calculator)	Carpool at least once this week
Turn off the water while brushing your teeth and shaving	Unplug idle electronics before leaving the house this week	Visit PGPIRG's 'The Good Store'	Bring a reusable mug or water bottle	Visit a new local park – share a fave photo
Bike, walk, or bus to the grocery store instead of driving	Try a 20 minute yoga or meditation session	Bring reusable shopping bags on the next grocery trip	Wear a sweater and/or cozy socks before turning up the heat	Take the stairs instead of an elevator/escalator

How to Play:

- Complete one or more lines on a board. Play all three boards if you're up for a challenge! Each completed line counts as one entry to win. A line is made by connecting five boxes in either a straight line or on a diagonal. Lines may make use of the 'free' star in the middle of the board.
- Keep evidence of each completed tile – a photo, video, receipt, screenshot, journal entry, scribbles, – it's up to you! Evidence will be used to determine a participant's eligibility and their number of entries. Be sure to submit evidence for each tile.
- To enter, email energy@unbc.ca with a photo or digital copy of your marked up board(s) and corresponding evidence for each tile. The first 15 verified participants automatically win a \$5 gift certificate from Degrees Coffee. They will also be entered in to the main draw.
- All verified entries will be entered into the main draw.
 - I would LOVE to share my stories and tile evidence with UNBC Marketing for current and future campaign promotion!
 - I wish to opt out of sharing my stories and tile evidence for UNBC Marketing purposes.
