Category 5 Plus Interest Meeting – February 20th, 2016

UNBC School of Education Terrace campus is pursuing the delivery of a Post-Baccalaureate diploma program. The School of Education will be holding a meeting for practicing teachers who are interested in advancing their professional knowledge and skills in K-12. The meeting will take place at the UNBC campus, Room 103 at 10:00 am. If you are interested in this program, please contact Teresa Bartel at teresa.bartel@unbc.ca. Come and join us for this discussion!

School of Education B.Ed Coordinator Dr. Ed Harrison and Faculty

Caledonia and Parkside High School Visits a Success!!

The School of Education Faculty and Staff hosted two UNBC campus visits. Students warmed up with some interactive name games and a career choice matchup exercise with training institutes. This was followed by a campus tour where students were able to hear from faculty and staff about their occupation and how they achieved their training. Students then were able to join a video conference with UNBC student advisors in Prince George on FAQ and the application process! The day finished with snacks and a group activity. The event was enjoyed by all and we loved having the students on campus!!

Welcome Back B.Ed Students

School of Education Faculty and Staff would like to wish everyone a Happy New Year! We would also like to welcome back our B.Ed Cohort. Students have now completed their 1st semester and a practicum observation. They will be busy entering the 2nd semester and their 1st practicum where they will be welcomed into our surrounding schools for a 3 week practicum. We look forward to another great year!

Sharing the Blue Crayon. How to Integrate Social, Emotional and Literacy Learning (2015) by Mary Anne Buckley. Read about the book, watch a youtube introduction to the book. She talks about her book Sharing the Blue Crayon "which shows teachers how to incorporate social and emotional learning into a busy day and then extend these skills to literacy lessons for young children". There is a free PDF detailed study guide that you can download from Stenhouse. The book is also available from other book sellers.
