## Bachelor of Education 2013-2015 Cohort

Students are back in class and preparing for their 3<sup>rd</sup> practicum, as they enter into their final year of the B.Ed program we can already see the energy, creativity and professionalism each will bring into the classroom. We would also like to thank the School Districts, Principals and Teachers for opening their doors to our students to complete their practicum experiences.

## Come Join Us On Campus!
