## SUBMITTING A RESEARCH ETHICS AMENDMENT FORM

Please submit a Research Ethics Amendment Form (Event Form) when you need to make changes to an approved Research Ethics application.

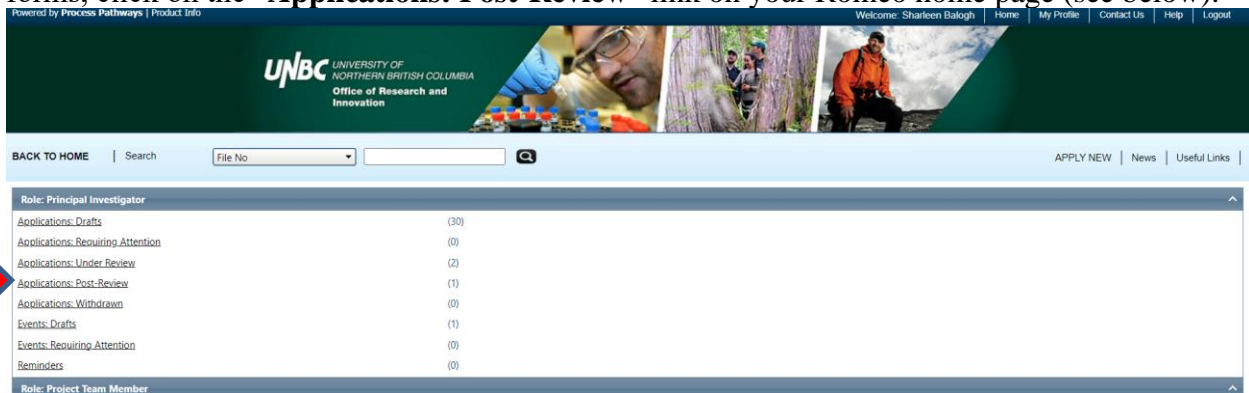

Please note: Romeo is compatible with Internet Explorer, Firefox, Microsoft Edge, and Google Chrome. Safari is NOT a recommended browser. If you have any problems or questions, please contact the Office of Research and Innovation at [researchportal@unbc.ca](mailto:researchportal@unbc.ca)

1. To access Romeo, go to <https://unbc.researchservicesoffice.com> and click on “Research Portal” (see below). You will also find a link to ROMEEO along with self-help and reference materials on the UNBC Office of Research and Innovation website ([www.unbc.ca/research](http://www.unbc.ca/research)). This link will take you directly to the login page (Step 2).

2. Login using your UNBC credentials (username@unbc.ca) and password. If you do not have a Romeo account, contact the Office of Research and Innovation at [research@unbc.ca](mailto:research@unbc.ca). You may be required to verify your identity with the mobile device “Authenticator” app or MFA Hardware Token issued by UNBC ITS to verify your identity, so please ensure that you have this available when you login.

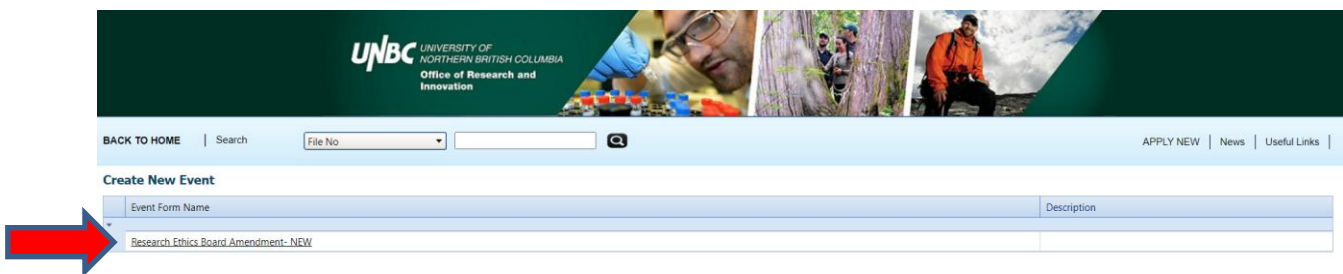

3. The Research Ethics Amendment form can be accessed as an event form. To access event forms, click on the “**Applications: Post-Review**” link on your Romeo home page (see below).

You will be brought to a screen (similar to the one below), which lists your previous applications, and the options available for each application. Click on the “**Events**” button next to the relevant application.

A screen will open (similar to the one below), which lists all of the available event forms for that application. Click on the “**Research Ethics Board Amendment - NEW**” to open it.

4. You will be brought to a screen similar to the one below. Under the “**Event Info**” tab, you can enter general comments and notes in the “**Note(s)**” text box (red arrow below). Click “**Save**” before moving to the next tab (blue arrow below). At any time, you can save your application and continue working on it at a later time. It is always good practice to save your application before changing tabs or leaving the application for an extended period of time.

5. Proceed to the “**Research Ethics Board Amendment**” tab. This tab includes event-specific questions to assess the nature of amendment request. Answer the questions on both the “**Research Team**”, “**Project Funding**”, “**Project Information and Progress**”, and “**Requested Modifications**” sub-tabs (red rectangle below).

NOTE: fields marked with a red asterisk (\*) are mandatory, but please answer all questions relevant to your event form submission.
