## SUBMITTING A RESEARCH ETHICS ANNUAL RENEWAL AND STUDY PROGRESS FORM

Please submit a Research Ethics Annual Renewal and Study Progress Form (Event Form) when you need to renew an approved Research Ethics application.

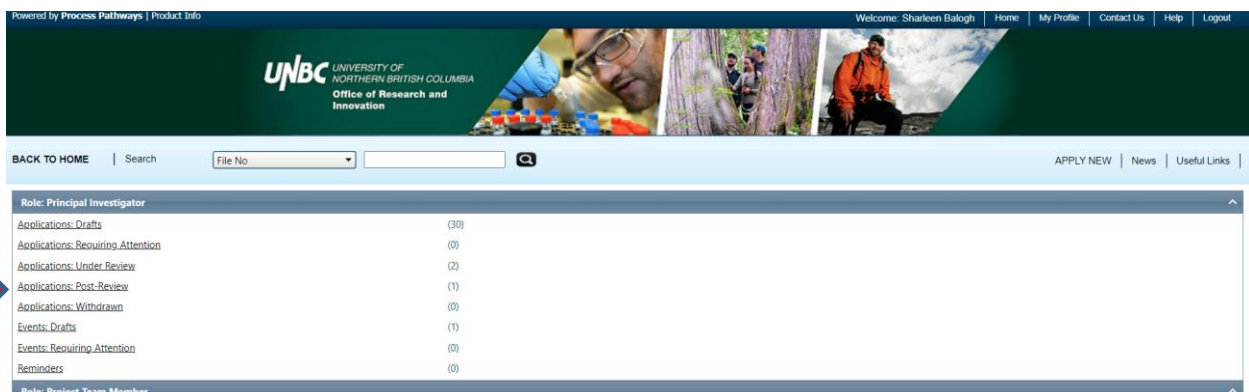

Please note: Romeo is compatible with Internet Explorer, Firefox, Microsoft Edge, Google Chrome and Safari. If you have any problems or questions, please contact the Office of Research and Innovation at [reb@unbc.ca](mailto:reb@unbc.ca).

1. To access Romeo, go to <https://unbc.researchservicesoffice.com> and click on “Research Portal” (see below). You will also find a link to ROME0 along with self-help and reference materials on the UNBC Office of Research and Innovation website ([https://www2.unbc.ca/office-research-and-innovation/romeo-research-portal#Romeo\\_Forms](https://www2.unbc.ca/office-research-and-innovation/romeo-research-portal#Romeo_Forms)). This link will take you directly to the login page (Step 2).

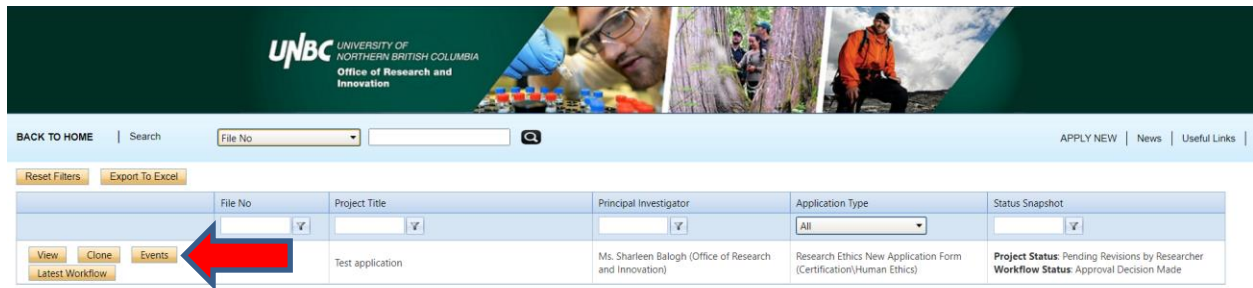

2. Login using your UNBC credentials (username@unbc.ca) and password. If you do not have a Romeo account, contact the Office of Research and Innovation at [research@unbc.ca](mailto:research@unbc.ca). You may be required to verify your identity with the mobile device “Authenticator” app or MFA Hardware Token issued by UNBC ITS to verify your identity, so please ensure that you have this available when you login.

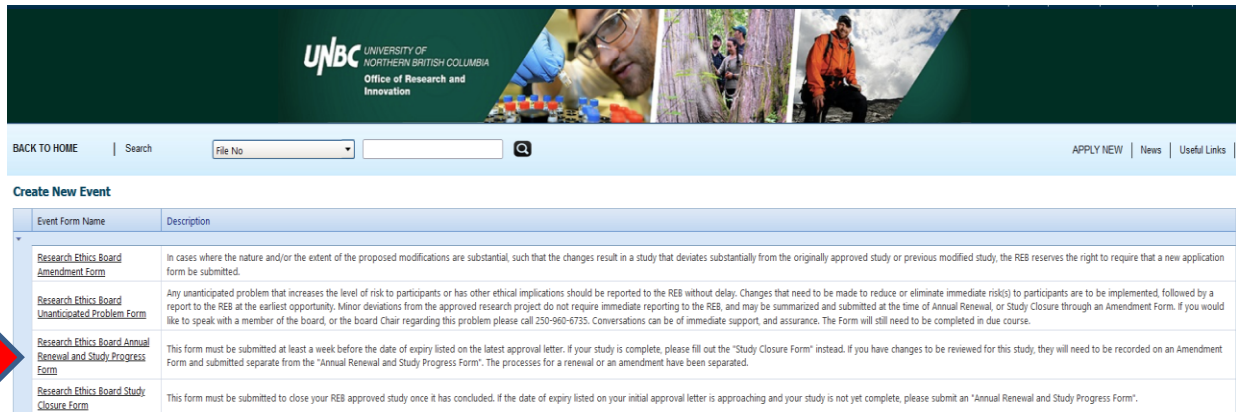

3. The Research Ethics Annual Renewal and Study Progress Form can be accessed as an event form. To access event forms, click on the “**Applications: Post-Review**” link on your Romeo home page (see below).

You will be brought to a screen (similar to the one below), which lists your previous applications, and the options available for each application. Click on the “Events” button next to the relevant application.

NOTE: fields marked with a red asterisk (\*) are mandatory, but please answer all questions relevant to your event form submission.
