

Schedule of Program Reviews

Version: 11 May 2023

This schedule is drafted in consultation with the relevant Academic Units, Dean's Office, and Office of the Vice President Academic and Provost, and it is subject to ongoing review and revision where necessary.

Notes:

- The academic year is indicative of the year in which the program review will begin.
- Accredited or otherwise regulated programs may also undergo separate review processes which where advantageous will align with the degree program review process.
