

From: **College of New Caledonia (CNC)**
Associate of Arts Degree, Psychology

To: **University of Northern BC (UNBC)**
Bachelor of Science (BSc Degree, Major in Psychology)

The following list of course equivalents will appear on the transfer credit summary for students who have successfully completed **CNC's Associate of Arts Degree** and pursue a **Bachelor of Science Degree, major in Psychology at UNBC**.

Information in this handout is unofficial and should be used as a guide only. For questions regarding admission to UNBC or course selection please contact Student Recruitment & Advising at 250-960-6306 or advising@unbc.ca.

NOTE: As per UNBC Undergraduate Calendar Regulation number 14, "Students must complete a minimum of 30 credit hours of upper division UNBC course work to receive a UNBC degree."

Associate of Arts Degree Graduation Requirements – Specific

1. 6 credits in first-year English; and
2. 9 credits in science, which shall include at least
 - a) 3 credits in mathematics or computing science or statistics (statistics courses taught in subject areas such as business, commerce, economics, psychology, etc. may also be used to meet this requirement);
 - b) 3 credits in a laboratory science, and
3. 36 credits in arts, which shall include
 - a) 6 credits in the social sciences;
 - b) 6 credits in humanities (including the creative, performing, or fine arts) other than English;
 - c) 24 additional credits in arts, and
4. 9 credits in arts, science or other areas.

Note 1: Students must have completed at least three semester credits in the semester the degree is awarded.

Note 2: Students are advised to consult with a CNC advisor in order to determine specific course requirements for entry to a particular university degree program.

Note 3: A laboratory science course is any course in the sciences list worth 3 credits or more and with a lab of at least 2 hours, but excluding any course in applied science (engineering) or computing science.

Psychology	CNC Course Name	UNBC Equivalence ¹
Required Courses
