## Notes:

\* UNBC requires a minimum grade of B- in each of the UNBC core prerequisites.

The minimum admission qualifications for UNBC's Northern Baccalaureate Nursing Program are higher than this program's graduation requirements; UNBC requires a minimum 3.00 cumulative grade point average on all 60 transferable credits. The UNBC School of Nursing reserves the right to select applicants for admission or readmission to the Northern Baccalaureate Program on a competitive basis. Preference will be given to Canadian citizens and permanent residents of Canada.

NLC offers many electives transferable to UNBC at the 200-Level. Subject areas include Archeology, Criminology, Education, English, History, Psychology, Sociology, and Research Methods in the Social Sciences. Please see the program Chairs, UNAS Timetables, and the BC Transfer Guide.

Note: Above based on the 2023 NLC website.
