- Notes:
- 1) semester headcount = number of students that were enrolled in at least one UNBC credit course at November 1
 - 2) students that were charged international tuition rates were included
 - 3) Continuing Studies students and Northern Medical Program students were excluded
 - 4) Origin was based on students' applicant address. Most likely, this was the community where they were living when they applied to UNBC.
The areas in British Columbia follow the geographic boundaries used by BC School Districts, with the addition of Prince George as a separate area, and "outside BC" for communities located beyond British Columbia (see Origin map).
