Spencer Hammond is assisting Elders in the classroom, please email him

FYI for students here too - I am the contact as well if you are wanting to connect with our Elder in Residence, Marcel. He will be facilitating programming and doing guest lectures, but is also available to just connect and chat with students. So if that's something that interests you - Just reach out to me and Spencer can connect you.

Metis Elders are still in planning for meetings, zoom etc.

ULEAD Leadership program -- see slides on website- ctlit.unbc.ca/kaffeeklatsch
